

First Time Enrollment and Kindergarten Round-Up

FRISCO INDEPENDENT SCHOOL DISTRICT

Dear Parent,

Your child's school, along with the FISD Communications Department, tries very hard to let the community know about all the wonderful things our students and teachers are doing. In order to send your child's picture or name to the newspapers or post it on our web site or cable channel, we must have your written permission. On the attached form you will see release information for allowing us to publish your child's photo, name, grade, and any awards or honors he or she receives.

If the student is on a school team, we may release the student's weight and height, and for some awards we may report dates of attendance, and the last school they attended. (*Such as they have attended Frisco schools since 7th grade and came to us from Plano ISD.*) We regularly submit articles to area media outlets.

We will not release your address, phone number or email address as directory information. It is not released to anyone other than for school purposes. If booster clubs or PTA's want to do an address, telephone, or email directory, they must receive your written permission to do so.

On this attached form, we ask that you **Check Yes** under **Release of Directory Information for School-Sponsored Purposes** so we can release your child's name, photo or video for school publicity purposes such as the yearbook, recognition of activities, the district or campus website, and releases to local media.

If you do not want your child's information released for school-sponsored purposes, such as the yearbook or articles about honors your child receives, you must check No under the Release of Directory Information for School-Sponsored Purposes and return this within 10 days of receiving this notice.

Because federal law requires districts to provide the military or colleges, student information upon request – **parents who do not want their high school student's information disclosed to military recruiters must check the square in the shaded section at the bottom of the form.**

Thank you for taking the time to fill out the Student Directory Form and for allowing us to tell the world about our wonderful students in FISD. *The privacy and disclosure elections submitted on this form will remain in effect for your student until such time as you submit a new form indicating a change in your privacy and disclosure preferences. Please note that a change can be submitted at any time, including at the beginning of each school year, or at any time during the school year. If you have any questions, contact us at 469-633-6060.*
