Here is additional information on FREE sessions for students/parents:

◆**Did You Pack Your Parachute?**◆◆ This is a free 5 session workshop for high school students interested in searching for possible careers. Each week a different topic will be explored. This workshop is for students in grades 9-12. Sign up for this workshop with Mrs. Jennings at [jenningsb@friscoisd.org](mailto:jenningsb@friscoisd.org) Sessions will begin October 15th from 4:30-5:30 (see flyer for specific dates ◆ limited seating).

◆**PRA**◆◆ This is a free assessment. If you are planning on taking either the SAT or the ACT this free practice assessment is for you. This assessment will give you practice with both the ACT and the SAT format of testing. It will give you information as to which test you ◆should◆ score better ◆ the SAT or the ACT. An assessment interpretation is scheduled for Thursday, November 5th from 7:00-8:00 PM here at the CTEC. This is ◆gifted◆ to the FISD students by The Princeton Review company. They run a test prep program through FISD (The Princeton

Review ♦ Boot camp, Essentials, and Comprehensive). I expect they will give strong suggestions to use their services during the interpretation (just an FYI). This assessment is scheduled for Saturday, October 17th 8:30 AM ♦ 1:00 PM here at the CTEC (interpretation on Thursday, November 5th from 7:00-8:00 PM). This assessment is for students in grades 9-12. Sign up for this free assessment with Mrs. Jennings at [jenningsb@friscoisd.org](mailto:jenningsb@friscoisd.org) (see flyer for more information ♦ limited seating).
