

Enterprise Content Management

DocuNav

Content Management
Document Imaging

- The 26th largest school district in the State of Texas and on its way to being in the top 20 largest districts in the state
- Approximately 41,000 students and several thousand employees
- One of the fastest growing districts in the state and the nation
- Size gives rise to volume – Frisco ISD business processes generate tens of thousands of documents each month
- Management of this information is critical to the efficient operation of Frisco ISD

Frisco ISD

- Generating thousands of paper documents necessitates the need for people to manage all these documents
- Limited resources and shrinking budgets call for management solutions that allow us to do more with similar or reduced human resources
- Electronic document imaging and management is crucial to the efficient operation of a large organization
- In addition, content management solutions help create more efficient business processes

Content and Document Management

- Work with over 200 K-12 organizations; 30,000 + installations worldwide
- Used by several notable Texas school districts and universities:
 - Plano ISD
 - Austin ISD
 - Wichita Falls ISD
 - Texas Tech University Health Sciences Center
- Offers both content and document management solutions
- Positive recommendations
