

Frisco ISD

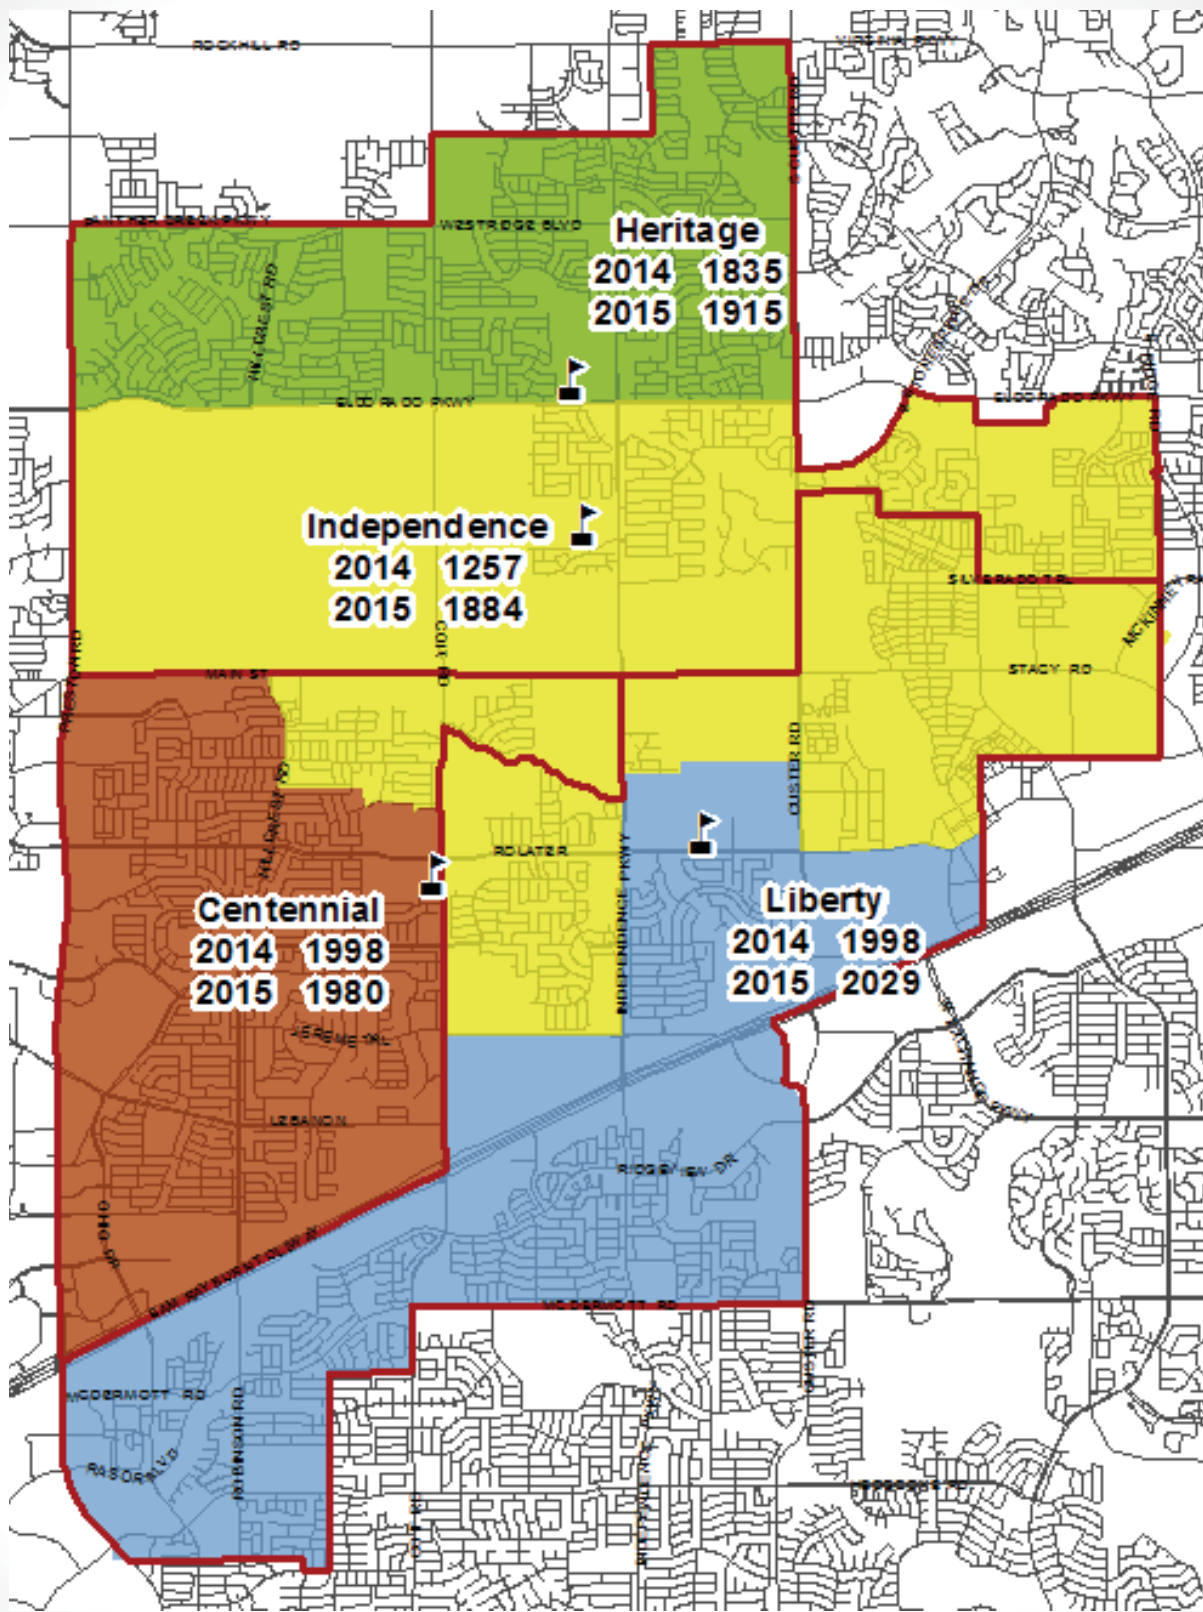

Zoning Discussion
Independence High School
October 14, 2013

Rezoning Goals and Considerations

- Effective utilization of space—efficient space utilization for effective instructional programs
- Stability of students—minimize the number of students changing school
- Neighborhood schools—proximity of students to assigned campus
- Maintaining diversity—heterogeneous campus enrollments, when practical
- Promoting unity—community, promote unity throughout district

Projections for Current Zones (without opening Independence)
