

Discussion of Draft Zones

For August 2012

Rezoning Goals and Considerations

- **Effective utilization of space – efficient space utilization for effective instructional programs**
- **Stability of students – minimize the frequency and number of students changing schools**
- **Neighborhood schools – proximity of students to assigned campus**
- **Maintaining diversity – heterogeneous campus enrollments, when practical**
- **Promoting unity – community, promote unity throughout district**

Elementary Projections For Current Zones
