

Frisco ISD Supportive Measures

The Title IX Coordinator is responsible for effective implementation of supportive measures and will serve as the point of contact for any questions or concerns related to supportive measures.

Supportive measures must be offered to a complainant and, as appropriate, also to a respondent. Supportive measures must be offered regardless of whether a formal complaint is initiated, or whether the complainant participates in the formal complaint process. A complainant is not required to show proof of allegations to receive supportive measures and is not required to accept supportive measures.

Supportive measures shall be individualized, non-punitive, offered without fee or charge, and shall not unreasonably burden either party. Supportive measures may include services, as reasonably available, designed to protect the safety of all parties or the District's educational environment or to deter sexual harassment. The District is not required to offer or provide supportive measures to unidentified parties.

Examples of supportive measures may include:

- counseling about inappropriate behavior and educational conversations;
- explaining to a respondent in detail the district's anti-sexual harassment policy and expectations of appropriate conduct;
- temporarily sending a student to the principal's office;
- changing seating assignments or class assignments;
- providing other counseling;
- extending of deadlines or other course-related adjustments, including retaking exams or completing makeup work;
- implementing mutual or unilateral restrictions on contact between parties;
- identifying specific campus employees to serve as regular points of contact for each party
