1. First I make my bed.

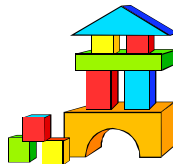

2. Then I put my dirty cloths in the laundry basket.

3. Then I put away my cars.

4. Then I put away my blocks.

5. Then I put away my Legos.

6. Then I put away my train set.

7. Then I throw away any trash.

8. Then the floor gets vacuumed.

Then my bedroom is clean!
