Speaker 2

Standards Based Grading

Asked By: Stephanie Blackburn, Parent

Response Notes: We presented a board workshop on this topic on April 21, 2022. We would encourage you to review the recording at about 30 minutes in and contact your student's campus administration with any specific questions you may have. The board workshop I am referring to is located at: <https://friscoisdtx.new.swagit.com/videos/170490>. We are planning on a parent workshop/forum in the fall and will get more information to our public as those dates are closer.

Speaker 3

Lunch for all--can we still have free lunch for all in the future?

Asked By: Mona Chowhan, Parent/Community Member

Response Notes: Free lunch for all was a provision provided by a federal COVID-19 stimulus package. We will only be able to continue free lunches for all pending additional federal legislation.
