**Password: mmddyyy**

- (date of birth) or updated password if it has been changed

## HOME Page

Default tiles appear

- FISD Website
- Google Apps
- Home Access Center
- Student Email
- School Website

## HOME Page continued

### RECENT (row):

This row shows the last few tiles you last clicked on.

The screenshot displays the Student Portal Home page with the following elements:

- Search:** A magnifying glass icon in the top left corner.
- Friscio Independencia:** The school name in the top right corner.
- Default Tiles:** A row of six tiles: Get Office 365, Google Drive, Home Access Center, My Network Drives, PHS Website, and Student Email.
- Recent Tiles:** A row of five tiles highlighted with a red border: Password Manager, Change Password, Canvas, Social Studies (Sch U.S. History, World Geography, Economics), and Xello - Student.
- Favorites:** A single tile for Math Dictionary.
- Navigation:** A 'Home' button (highlighted with a red border), 'My Tiles', and 'Account Management' links in the bottom right.

# STUDENT PORTAL

**FAVORITES (row):** On the STUDENT LINKS page, right click on any tile that you access regularly and select Add to Favorites.

Right click on any tile along your FAVORITES to remove it from the favorites' row.

# STUDENT PORTAL

**STUDENT LINKS** gives you access to tiles that are programs or sites you go to throughout the year:

- Online textbooks (ie HMH, Pearson, etc)
- Discovery Ed
- MackinVIA
- Canvas LMS
- Seesaw
- Clever

## Password Management

Go to the ACCOUNT MANAGEMENT link.  
Click on the Authentication tile.

Click on **Password Manager**

Click to open each application password window.

## STUDENT PORTAL

Click on the “eyes” so that you can see what you are typing in.

Enter the ID’s and Passwords into each of the different applications so the student portal will remember your password.

Be sure to click Update Stored Passwords.
