*** Matches are scheduled from 4:30 – 6:30 p.m. on assigned days. We will try to finish as close to 6:30 p.m. as possible so parents can know when to pick their children up. We will play 6 game sets, no-ad scoring for singles and doubles. Team format is 6 singles and three doubles on both the boys and girls side. There will be no mixed doubles. We may play more than just 6 singles, so Coach Maupin will do his best to play as many players as possible. Please feel free to contact Coach Maupin with any questions or comments.
