School Hours: NEW FOR 2011-2012 SCHOOL YEAR!

The school day is from **8:25 AM to 3:35 PM**. Students should arrive at school no earlier than 7:45 AM and are encouraged to arrive no later than 8:15 AM so that they are able to visit their lockers, use the restroom if necessary, and prepare their materials for first period. **First period begins at 8:25 AM, so students arriving after 8:25 AM are considered tardy, and must then sign in through the front office.**

Students will report to the Scoggins Cafetorium upon arrival and will remain there until dismissed by an administrator. Students attending morning tutorials must have a pass (preferably in their student agenda) from either their teacher or parent; they will be dismissed to the tutorial classroom at 7:55 AM and must remain there until 8:15 AM. For both student safety and building security, unattended students should not loiter or be on campus after 3:55 PM each day.

Students who do not ride buses must be dropped off in the mornings at the designated carpool location on the east side of the building and go directly to the cafeteria. In the afternoon, parents are to pick up students at the same carpool location on the east side of the building. Any students remaining after 3:55 PM will be moved to the front of the building and will be unsupervised.

Sign Out Procedures

When it is necessary for a student to leave during the school day, he or she must be signed out through the front office. If a student is leaving for a doctor/dental appointment, he or she must bring a note from his or her parent/guardian, and a permit will be issued through the front office for him or her to leave class. A parent/guardian must then meet the student in the front office and complete check-out procedures. For each student's safety - if the person picking up the student is not a parent/guardian, the identity of that person must be established

and prior written permission granted by the parent/guardian before the student will be released.

Visitors:

At Scoggins Middle School, student safety is always one of our top priorities. All visitors are required to check in at the front office and to conduct themselves according to the rules for students. An administrator may request identification from any person on school property and may ask any person not having legitimate business to leave campus. All visitors will sign in and be issued a visitor badge, which should be clearly displayed throughout their time on campus. Students from other schools, including siblings, cannot visit during the school day. Parents must check in through the front office before contacting or visiting a student or teacher. Parents may not monitor classroom activities without prior approval of the principal. Students or others may not take pictures, tape or video record a class without the prior approval of the teacher and principal.

Cafeteria Visitors:

Visitors should wait for their student near the designated table located on the East side of the cafeteria. Once the student arrives, visitors may sit with them at the designated visitor table(s) located on the East side of the cafeteria. Due to the Texas Nutrition Policy, “Students or parents should only bring enough food for themselves. No large quantities to feed other students are allowed.” The Texas Nutrition Policy does not allow sharing food. Students should only bring enough food or snacks for themselves.

Lunch Visits:

If the person visiting a student during lunch is not a parent/guardian, the identity of that person must be established, and he or she must be identified as either a visitor (with prior written, confirmed, parent/guardian permission) or emergency contact person on a student’s registration card/eSchool account. Again, we want to keep our students safe, and we appreciate your assistance in helping us do so.

Attendance:

District Policy FEA (local) states: Regular and punctual attendance is the greatest single factor in school success; therefore, a student’s first concern should be to attend class regularly. Being absent unnecessarily from school impairs a student’s opportunity to succeed in studies and also indirectly encourages the development of poor attitudes toward schoolwork and other obligations. That being said, we do understand that there are extenuating circumstances that cause a family to choose for their student to be absent. Some of those are unplanned such as a death in the family. Others are planned, such as a trip or a vacation. We strongly discourage students being absent for the purpose of vacations. A significant part of the learning process occurs in direct instruction from the teacher and the interaction between students and teachers within the classroom;

worksheets and other assignments cannot take the place of these essential interactions in the classroom.

1. The parent shall submit a written request, **in advance**, stating that the vacation or trip cannot be taken at another time. **These absences will be considered unexcused.**
2. Only one such trip or vacation per family, per year, can be requested.
3. No more than five consecutive days of absence shall occur, except in extenuating circumstances as determined by the Superintendent or designee.
4. No such trips shall be taken during the last two weeks of a semester, except in extenuating circumstances as determined by the Superintendent or designee.
- 5. If a student is going to be absent more than 10 consecutive days, the student will be withdrawn on the 10th day. His/her place in class will be held and he/she will be reenrolled upon his/her return.**

* **Make-up Work for Planned Absences (Unexcused)** The student shall agree to have any pre-assigned work completed upon his or her first day back to school, although a teacher is not required to give the student work prior to the absence. Some may be given ahead of time and some may be given upon return. It is the student's responsibility to do make-up work following any absence. Students are responsible for collecting their make-up work the first day they return to the class(es) that were missed. After receiving their make-up work, students will turn in their work as follows: one day of absence, one day (next class period) to make up work; two days absence, two days (class periods) to make up work; three days or more absent, three days (class periods) to make up work. Full credit can be earned as long as the work is turned in within the allotted time.

A teacher may also ask for a reading log, a journal assignment, or a writing activity to demonstrate learning that occurred on a trip.

The student will not be entitled to additional tutoring either before or after the trip.

* **Make-up Work for students who are absent 10 or more consecutive days and are withdrawn and reenroll** The teacher may assign the student make-up work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills, or in meeting subject or course requirements. As stated above, it is the student's responsibility to obtain this make-up work from the teacher and the students will have a total of three days to complete and turn in the work.

***Absences Due to Religious Holidays** – If students plan to be absent for a religious holiday, a Religious Holiday Absence Form should be filed in the front office by parents/guardians prior to the absence. Forms may be received from our receptionist and returned to the front office.

Tardies:

In the event a student arrives to school tardy (after 8:25 AM), the student must sign in through the front office. Students with excessive first period tardies may be subject to truancy charges. Students who have excessive tardies throughout the day (between classes – 2nd through 8th periods) will be disciplined accordingly:

2nd tardy – Verbal Warning

3rd tardy – Parent Notification/Truancy Notification, if applicable

4th tardy – Friday Night Reflection

5th tardy – ISS

Administrators will handle any subsequent tardies through the Student Code of Conduct/Truancy Laws.

Missed Assignments Due to Absence:

It is the responsibility of the student and/or parent to collect missed assignments due to an absence. It is recommended that before 10:00 AM on the second day of absence, parents request assignments for the absentee. Teachers will deliver assignments to the receptionist in the front office, and these may be picked up after 3:05 PM on the second day. Students may also collect all assignments when they return to school. Each student is responsible for completing all make-up work. Students are allowed one day to make up assignments for each day of absence. If a student misses a test or quiz, it is the responsibility of the student to schedule a time with the teacher to make up the assessment.

Student Agendas:

Every student will be issued a Fisd Student Agenda. Students are required to use their agendas for recording assignments, and obtaining hall passes (with teacher signature) and morning tutorial passes (signed by parent or teacher). If a student's agenda is lost, a fee of \$5 will be assessed to replace it. Students may purchase replacement agendas through the front office.

Progress Reports and Report Cards:

Students will receive their report cards on the Thursday or Friday following the close of each grading period. In addition to the report card, students will receive a 3-week progress report (during the 4th week of each marking period). Grades will also be accessible throughout the entire grading period from the Frisco ISD website (www.friscoisd.org) through the Home Access Center (HAC). If a student is not passing a class at the progress report time, or is not passing a class at

report card time, a minimum of two mandatory tutorials for that class will be assigned each week until the student is passing. Failure to attend mandatory tutorials may result in an assignment to lunch detention or to Friday School (see below). Friday School assignments will serve as another opportunity for the student to succeed. If a student is not passing two or more classes at report card time, the student may be placed in Working Lunch (see on next page).

Friday School

At Scoggins Middle School, we offer an opportunity for our students that have missing or incomplete assignments to be provided a supervised environment outside of the regular school day to complete these assignments. Friday School is offered on Fridays from 3:40 to 5:30 PM. If a student is asked to stay for Friday School, one of the student's teachers will be in contact with a parent/guardian regarding the Friday School assignment date. Friday School is not a disciplinary consequence; it is designed to help students complete and turn in missing assignments. If a student is able to complete the missing or incomplete assignments before 12 PM on the Friday he or she has been assigned to Friday School, the teacher may choose to excuse him or her from Friday School. Students must provide their own transportation home, and should be picked up no later than 5:30 PM. If an emergency arises and a student is unable to attend a scheduled FNS, a parent should make arrangements with his or her student's teacher; otherwise, the student will be considered absent and disciplinary consequences may be administered.

Working Lunch

Working Lunch is a program designed as a support for students who have failed two or more core classes within a six week period. Students who are placed in Working Lunch will spend their lunch shift in a designated classroom with a teacher. While eating lunch, these students will primarily focus on the specific core class or classes in which they are behind or struggling. Students in need of Working Lunch are to be placed for at least one three week grading period. When a student achieves 75 % or higher on his or her three-week progress report or six-week report card for each class, he or she may return to his or her regular lunch shift.

Tutorials:

Students must have a pass signed and dated by a parent or teacher in order to leave the Scoggins Cafetorium in the mornings to attend morning tutorials. All passes should be written in the student's agenda. Morning tutorials will begin at 7:55 AM and will conclude when the student is dismissed to first period between 8:15 and 8:20 AM. To ensure appropriate supervision in our hallways, students may not report to morning tutorials after 8:05 AM. Afternoon tutorials begin at 3:35 PM, and will be available by appointment with specific teachers, depending on individual teacher duty schedules.

Re-Testing

Students may earn the right to retest on major tests during a seven school day period following the return of their original test for full value of the retest. Academic effort in preparation for the test will be taken into account when determining student eligibility for a retest. Criteria may include all homework turned in, test corrections completed, tutorial attendance, and the completion of test reviews prior to the test.

Late Work

The general late work policy for Scoggins Middle School is provided to promote student responsibility and consistency throughout the building. For late work, students may receive a grade no higher than a 70 for work turned in one day late. If work is turned in two days late, the highest grade a student may receive is a 60. After two days, and up to one week after the assignment was due, the highest grade a student may receive for a late assignment is a 50. **After one week, the student may receive a zero (0) for a missing assignment.**

Detention

Teachers may assign detention before or after school for infractions of the Student Code of Conduct. A detention consists of keeping a student for no less than 30 minutes and no more than one hour before or after school under direct teacher supervision. Students may be provided a detention form when they are assigned a detention. Students are expected to present this form to parents, obtain a parent signature, and return it to their teacher. Teachers may also contact parents via phone call or email in order to set up a detention time.

Friday Night Reflections

For some infractions of the Student Code of Conduct, administrators may assign Friday Night Reflections (FNR). Friday Night Reflections is utilized to encourage students to change their behavior, assist students in understanding the results of negative choices, teach self-discipline, and provide students an opportunity to get caught up on schoolwork. This disciplinary detention is held on Fridays from 3:40 to 6:00 PM. During the detention, students complete a character-based assignment and any school assignments due. The curriculum provided for students to complete allows them an opportunity to reflect on behavior choices they made, and also provides them with the tools necessary to make positive choices in the future. If an emergency arises and a student is unable to attend a scheduled FNR, a parent should make arrangements with his or her student's assistant principal; otherwise, the student will be considered absent, and further disciplinary consequences may be administered. Students must provide their own transportation home and should be picked up no later than 6:00 PM.

Mandatory Tutorials

If a student is not passing a class at the progress report time or is not passing a class at report card time, a minimum of two mandatory tutorials for that class should be assigned to students each week until that student is again passing.

Failure to attend mandatory tutorials may result in an assignment to lunch detention or Friday School. Teachers may also assign students to mandatory tutorials to ensure academic success. Students may be provided a mandatory tutorial form when they are assigned a mandatory tutorial. Students are expected to present this form to parents, obtain a parent signature, and return it to their teacher. Teachers may also contact parents via phone call or email to set up mandatory tutorials.

ISS: In-School Suspension

ISS is a short term removal from the classroom environment and is assigned by an administrator. ISS encourages students to change their behavior, assists students in understanding the results of negative choices, teaches self discipline, and provides students an opportunity to get caught up on school work. While in ISS, students may be required to complete a character-based assignment, plus any and all assignments sent by their teachers. Students are required to bring all books and school supplies to ISS. On days in which a student serves ISS he/she may not participate in any after school or extracurricular activities.

Short Term ISS

This is a short term removal from a class period by a teacher for disruptive behavior that interferes with the teaching and learning environment in the classroom.

Communication:

The staff at Scoggins MS understands the importance of good communication and encourages parents to contact teachers, counselors, or administrators by phone at (469) 633 - 5150 any time they have a question, concern, or praise. If we are unable to answer your call, please leave a message with voice mail, and we will return your call as soon as we are able. Parents are also welcome to contact teachers or administrators directly through email. We also have a general Scoggins email address that you may use should you have questions or comments.

Our email address is scoggins@friscoisd.org

We will always strive to get news, information, and important dates to you in a timely fashion. Our Scoggins newsletter, “**Seahawk Talk**,” will be made available on our website following the conclusion of each grading period.

Our website is <http://www.friscoisd.org/schools/scoggins/>

We will also use our automated calling system, School Messenger, as well as our email system for updates and reminders. Additionally, important information may be provided to your student through flyers or letters.

Throughout the year, parents also have the opportunity to have “Coffee with the Counselors.” This time allows guest speakers and our counselors to talk about topics of special interest to parents of middle school students.

Scoggins parents are also encouraged to contact us to schedule conferences. Requests may be made through our front office receptionist, or parents are welcome to contact teachers or team leaders directly. Compliance with the Family Educational Rights and Privacy Act (FERPA) will be maintained through all methods of communication.

Cell Phones: *NEW TO FISD IN 2011-2012 BYOD*

To limit the distraction from instruction during the school day, students who choose to bring a cell phone device to school must remember to turn it off when they are released to tutorials or their 1st period class at approximately 8:15 in the morning and may not turn it back on until the conclusion of the school day. The cell phone must remain turned off, put away, and out of sight unless a teacher has requested that a student may use it during a class for instructional purposes.

Please refer to

<http://www.friscoisd.org/ly/departments/technology/ConnectingWithParents.htm> if you have any questions regarding BYOD. **We ask all parents to please not text-**

message or call their students on their cell phones during school hours. If you need to leave a message for your student, please call the Scoggins front office at 469-633-5150, and our office staff will see that he or she receives the message. If a student uses a cell phone, leaves the phone turned on, or displays the phone during an inappropriate time, it may result in confiscation of the phone. The phone will only be returned to a parent or guardian. The following consequences may be enforced for students who violate this rule:

- 1st offense – the phone will be confiscated and returned to the parent with a warning being issued.**
- 2nd offense – the phone will be confiscated and parent/student must pay a \$15 fine before the phone is returned to the parent.**
- 3rd offense – the phone will be confiscated and parent/student must pay a \$15 fine before the phone is returned to the parent**
- 4th offense – the phone will be confiscated and may be held for the remainder of the school year by the district; parent/student must pay a \$15 fine before the phone is returned to the parent.**

*Parents will be notified within two school days after the device has been confiscated to schedule a time to pick up the phone and pay the fine if applicable.

Dress Code:

Students will not be permitted to wear the following: “sagging pants,” torn or ragged clothing, sunglasses, caps, hats, bandanas, undergarments worn as outerwear, pajamas, or house shoes. Shirts or other clothing items depicting or promoting acts of violence, guns, weapons, death, dismemberment, disfigurement, gang activity or affiliation or other offensive items or wording are specifically prohibited. The following statements serve as guidelines for acceptable clothing:

Boys:

- Shirts with sleeves must be worn at all times.
- Shorts or pants must be worn at or about the waist line at all times.
- Undergarments should not be visible at any time.

Girls:

- Sleeveless tops with a minimum width of two-inch wide straps are acceptable. The shirt straps must be wide enough to cover undergarments.
- See-through, bare midriff, halter type, shoulder baring, or spaghetti strap blouses, any revealing clothing, or any low-cut clothing will not be permitted. Shirt hems should extend well below the waist of pants/shorts/skirts whether in a sitting or standing position.
- Dresses, skirts, and shorts must extend to or below the student's fingertips when their arms are held to their sides. ****Parents: please help us by asking your student to sit down for you while wearing dresses, skirts, or shorts to determine appropriateness for school. We appreciate your help!***

Please refer to the Middle School Student Handbook for more specific information regarding dress code.

Cheating

Cheating by copying the work of another student on homework, projects, assignments, or tests is a serious offense and a violation of the Student Code of Conduct. Students who participate in any form of cheating, including copying or providing the answers, may be assessed a "0" for the grade along with disciplinary consequences assigned by an administrator. Parents will be notified about any such violations.

Bus Information

To ensure maximum bus safety at all times, students are to follow all rules issued by the FISD Transportation Department when riding a school bus. Failure to observe these rules could result in the loss of bus riding privileges and/ or other disciplinary action. Remember, student safety is our primary concern.

Bicycles/Skateboards

Students who would like to ride bicycles to school are welcome to do so. Skateboards, skates, or scooters are not allowed on school grounds at any time. Bicycles are to be parked and locked in the designated areas. The school cannot provide security against theft or vandalism. Students must walk, not ride, their bicycles off school property, and are urged to use caution and common sense when riding bicycles after leaving the area around the school. These areas are often congested, especially in the afternoon.

PE Uniforms:

Plain grey t-shirts and black shorts are required attire for PE class. Students may provide their own, or may purchase these items at Frisco Sports Center, 8715 Lebanon Road, Frisco, for \$16. PE attire may also be purchased at any vendor that carries the required style and color clothing.

Textbooks

Textbooks are provided by the district and are issued at the beginning of the year. Every student is obligated to give his or her books the best care, and must cover each of his or her textbooks. Students must put their name in the front of the book as soon as it is issued to them, and they should not loan or borrow textbooks. Students who lose or damage a book while it is checked out to them will be expected to pay for it. Certain classes may only provide online textbooks or textbook CDs.

Lost and Found

Students should not bring valuable items to school. Lost items that are turned in are placed in the Lost and Found container in the Scoggins Cafetorium. Items not claimed by the end of each grading period are donated to charity. Please put your name inside jackets or other articles of clothing to help us return lost items.

Cafeteria Procedures: *NEW IN 2011-2012*

The school cafeteria offers breakfast and lunch daily. Each student will be issued an identification number and will be required to use the cafeteria debit system to purchase meals. Meals may not be charged, and students must prepay for lunches. Students should put money into their accounts prior to 10 AM each day. **FISD will be replacing our previous online payment system with MealpayPlus.** (www.MealpayPlus.com). In addition to the ability to monitor account balances, view purchase history, make payments and set-up low balance e-mail reminders or auto-pay, you will now have the ability to place restrictions on how your funds are spent. The MealpayPlus system offers two accounts into which you can choose to make a deposit- a “meal” account and a “general” account. The general account will allow students to purchase a la carte items, in addition to school meals. The meal account limits student spending by only allowing single, plated meal purchases. During lunch, students have the opportunity to purchase food from the “a la carte” lines. Prices in these lines vary. Any monies in your account from the previous year will carry over to the new program. Upon registration to MealpayPlus, you will instantly see your student’s current balance. **We strongly encourage all Frisco ISD parents to set up a MealpayPlus account for the new school year.** To sign up, simply visit: www.MealpayPlus.com and click on “Register a Free Account.” You will need your student’s ID number to complete registration. If you don’t know the number, please contact the front office of your campus or Child Nutrition (469-633-6980) to obtain it.

Medications/Nurse Visits:

Students are not allowed to have any medications in their possession at school. This includes prescription meds, over-the-counter meds, vitamins, and herbs. All medication must come from home and must be in the original container and properly labeled. All medication must be left in the school clinic with the nurse where it is kept in a locked cabinet at all times. This includes over-the-counter drugs, as well as prescription drugs. The school nurse will not administer allergy or vitamin injections. This does not include injectable medications to be used in an emergency.

A registered nurse is assigned to Scoggins full-time. Students who are ill should report to the nurse with a pass from their teacher. If it is deemed necessary, the nurse or other school personnel will contact a parent or guardian. **Students should not use their personal cell phones to contact parents and ask to be picked up due to illness; in case of illness, students must check out through the clinic.**

Attendance at Extracurricular Activities:

Students and parents are encouraged to attend and support the many different extracurricular activities offered at Scoggins MS. It is important to continue to build Seahawk PRIDE! Therefore, it is requested that all students (participants and fans) and parents should respect our own students and staff, as well as any visiting teams or officials at these events.

Scoggins students will have free admission to SMS athletic events within FISD when they present their Scoggins student identification cards. To ensure appropriate supervision, students will not be allowed to wait on campus after school to attend athletic events that begin at 5:45 PM. Students who want to cheer on their teams at these events must go home and return at 5:45 when events begin. Also, to ensure student safety, students should be picked up **no later than 15 minutes after the end of the event in order to attend future extracurricular events and activities at Scoggins. We encourage all students to call their parents at the beginning of the last quarter of any sports event (rather than waiting until the event has already ended) to ensure that they are picked up on time.**
