

Frisco ISD/The Princeton Review Partnership

Dear FISD Parents and Students:

Frisco Independent School District is excited to announce a partnership with The Princeton Review; as a Princeton Review Partner, ALL Frisco ISD students will receive a great discount off the SAT and ACT courses as well as the PSAT Clinics. These courses will run throughout the year and will be exclusive to Frisco ISD students.

The courses are scheduled to coincide with the test administrations. The **Comprehensive** courses include 30 hours of instruction, 4 full-length practice tests, and free extra help with your instructor. The **Essentials** courses include 18 hours of instruction and up to four (SAT) full-length diagnostic tests. The **Bootcamp** includes 5 instructional hours, and a full-length practice test, while the **PSAT Clinic** includes 6 instructional hours and a full-length practice test, giving you a great foundation of test taking skills. In addition, students will also have five months access to the SAT or ACT Online Student Center where they can review lessons, practice extra drills, and view their diagnostic test results. Following each practice test in the course, students will receive a printed diagnostic score report, complete with question and category breakdown and comments for improving their essay.

If you are interested in improving your scores, The Princeton Review will steer you in the right direction. For more information, speak to your counselor or call The Princeton Review at 214-890-0099. We'll see you in the classroom!

Registration:

- Phone 214-890-0099
- Online www.PrincetonReview.com under partnership courses.
