

This year, elementary school students and staff of Frisco ISD have participated in a character education program entitled Rachel's Challenge. Rachel's Challenge is a nationwide movement which was inspired by Rachel Scott, the first victim of the tragic shooting nine years ago at Columbine High School in Littleton, Colorado.

The program, begun by Rachel's father, Darrell Scott, is based on a series of journals and an essay that Rachel wrote where she expressed her belief that small acts of kindness and compassion can influence global change. The students and staff have embraced this belief and have truly ignited a chain reaction of kindness and compassion throughout the year at our schools.

The culminating event for our program this year is a Rachel's Challenge Rally on Tuesday, May 25 at 6 p.m. at Memorial Stadium (6950 Memorial Lane, Frisco, TX, 75034). We encourage all students, staff and members of the community to join us as we celebrate kindness and compassion.
