**WHEREAS** Centennial High School student Ashley Newton has earned the distinguished honor of achieving National Merit Finalist status; and

**WHEREAS** the distinction of Finalist is held by less than one percent of U.S. high school seniors annually; and

**WHEREAS** this achievement is the result of hard work and dedication on the part of the students;

**THEREFORE, BE IT RESOLVED** that we are extremely proud of this student and his outstanding educational effort and his pursuit of academic excellence. More than 1.4 million juniors in nearly 21,000 high schools entered the 2010 National Merit Program by taking the 2008 Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT®), which served as an initial screen of program entrants. The nationwide pool of Semifinalists, which represents less than one percent of U.S. high school seniors, includes the highest scoring entrants in each state. The number of Semifinalists in a state is proportional to the state's percentage of the national total of graduating seniors. **To become a Finalist**, a Semifinalist must have an outstanding academic record throughout high school, be endorsed and recommended by the school principal, and earn SAT scores that confirm the student's earlier qualifying test performance.
