

## *2009 Exemplary Campus*

*Congratulations are in order for the students, faculty, and staff of Centennial High School for their combined academic efforts in 2008 - 2009. Centennial High School is one of 136 high schools, out of the state's total of 1,196 high schools, to be recognized by the Texas Education Agency as an "Exemplary Campus" for the 2008-09 school year. Having received both "Academically Acceptable" and "Recognized" ratings in previous years, this is the first time for Centennial High School to be awarded the highest possible campus rating on the state's 36 criterion campus accountability instrument.*

**CONGRATULATIONS TITANS!**
