## TITAN ANNOUNCEMENTS & NEWS

- **Yearbook distribution** - Yearbooks can be picked up May 21-23, come to the concession stand beginning at 12:15 Monday to pick up your copy. Please remember students will need a picture ID or receipt to get their books. If you didn't pre-order a book and would like to purchase one now, we have a limited number of yearbooks available for \$75.
- **Titans** – We have a couple of dress and grooming issues that are progressively getting worse and worse here toward the end of school and we need your help with correcting them.
  - 1) Ladies, any and all parts of all shorts, dresses and/or skirts must be finger tip length or longer in a standing position in order to be FISD dress code appropriate, otherwise, these garments are out of compliance with dress code and will require dress-for-success pants to be worn.
  - 2) Men, mohawks, fohawks, fades, or whatever they are called are not permitted per the FISD dress and grooming code. The tails or two level cuts on the sides and down the back of the head are not in compliance and should not be worn until after June 2<sup>nd</sup>.Your help with these two issues is greatly appreciated as more strict enforcement of our dress and grooming expectations for the rest of the year will be in effect.
- **Students** – If you have a bicycle that has been confiscated, see Mr. Sears before school is out for the summer. Bicycles that are left will be donated.
- **Ever wonder what it is like to be a cop?** – The Frisco Police Department will host a Teen Police Academy this summer. The academy consists of a series of

classes and hands-on activities held Monday-Thursday from 8:00-2:00 for two weeks. There will be three different academies during the summer and take place at the Frisco Police Department. There is no cost to anyone who enrolls but you must have completed 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> or 12<sup>th</sup> grade by the end of this school year. Come join us and get hands on training in SWAT, CSI, pursuit driving, riot training, and many others. For more information or to pick up an application, see Officer Spring across from the competition gym.

- **Students** - Please **DO NOT** cut through the parking lot at Coit and College to avoid the traffic light. The police will step up traffic enforcement in this area and you will be subject to a ticket. The businesses are complaining and have requested the assistance of Frisco PD. If you have any questions please see Officer Springer.
- **Students** – Please **DO NOT** park your vehicle on campus until you have been issued a valid parking sticker. Please see Ms. Davis if you have any questions.
