

## Ida Lee Bright Elementary

Susie Graham, Principal  
Becca Bustillos, Assistant Principal  
Kelly Guevara, Counselor

Dear Bright Parents:

"Commit Not To Quit" is a dropout prevention program that was very successfully implemented last school year at Frisco High School. This program prides itself in educating students, parents, staff, district and community about the warning signs and life liabilities of being a dropout.

Bright Elementary has the opportunity to join with Frisco High School and Staley Middle School to implement this program during the week of March 8 -12. Each day during that week we will have activities relating to this program. Listed below are the two components of this program:

**Education** – literature, posters and videos are shown giving statistics of being a dropout.

**Commitments** – Promise Cards are signed by students, parents, staff, district and community representatives pledging the constant support and commitment to the high school graduation for all students in Frisco ISD.

This letter is our way of asking for you to show your commitment to your child and to the high school graduation of all FISD students. We are asking for your promise and your signature on a commitment card at **OPEN HOUSE on Thursday, March 11 from 6:00 p.m. – 7:00 p.m.**

We believe that showing all students the support of staff, district and community, we can give our FISD students the empowerment they need to realize that the "tassel is definitely worth the hassle". We appreciate your support and look forward to seeing you at Open House.

Sincerely,

Susie Graham  
Principal
