

Overview of the Reflections Program

The Reflections Program is a National, State, and Local PTA cultural arts competition. The purpose of this program is to provide an opportunity for students to use their creative talents by expressing themselves through their own original works. Each year, Reflections challenges students to create art that supports a specific theme. This years theme is WOW!

SUPPORT THE ARTS AND ENCOURAGE YOUR CHILD TO PARTICIPATE IN THE PTA'S ANNUAL REFLECTIONS PROGRAM

Young artists participate in Reflections through Carroll PTA. A student may submit an entry in any of six arts areas. Only original works of art are accepted. The six areas are:

- *Literature
- *Music Composition
- *Photography
- *Visual Arts
- *Film/Production
- *Choreography/Dance

REFLECTIONS 2009-2010 THEME: "BEAUTY IS..."

For any questions about the Reflections Program, please contact:

Diana Box
(972) 712-4068
dnbfrog@gmail.com

Participation in Reflections is organized by student age and grade level. Student works are critiqued against others in the same grade division. This allows recognition and judging of artworks by appropriate developmental age and skill levels. The grade divisions are:

- *Primary –(pre-K—grade 2)
- *Intermediate- (grades 3 –5)

Entries are judged on creative ability and interpretation of the theme. The Reflections Program is structured for PTAs to recognize students at the local, council, state, and national levels. Entries are first judged at the school level and selected works are chosen to represent Carroll PTA at each subsequent level.

Reflections information packets, rules and entry forms may be obtained from your child's teacher by detaching the bottom portion of this flyer and returning it. You can also email me at dnbfrog@gmail.com to receive a copy electronically, or you can check out the schools website www.friscoisd.org/carroll and click on the Reflections icon to receive all the information . The Carroll PTA will sponsor a banquet at the February 9 PTA General Meeting, where every participant will be recognized!! All entries are due before school on Wednesday, October 28 from 7:30—7:50am. Donuts and juice will be served for all the participants.

2009–2010 PTA Reflections Program GENERAL STUDENT PARTICIPATION RULES

Students must adhere to the following General Student Participation Rules as well as the rules for their specific arts area.

The theme for the 2009–2010 PTA Reflections Program is “Beauty is...” Only new pieces of artwork inspired by the theme may be submitted.

Student Eligibility Through Local PTAs

Students must participate in the Reflections Program through a local PTA/PTSA in good standing. Parent groups not affiliated with the national PTA organization are not eligible to sponsor this program. It is the responsibility of the state and local PTA/PTSA to determine each student’s eligibility in the Reflections Program. A student may develop an entry in or outside of school.

Grade Divisions

Students may enter the Reflections Program in the appropriate division for their grade. The divisions are as follows:

- Primary: **preschool–grade 2**
- Middle/Junior: **grades 6–8**
- Intermediate: **grades 3–5**
- Senior: **grades 9–12**

If students do not fall under specific grade divisions, the national PTA organization suggests that they be grouped as follows:

- Primary: **up to age 7**
- Middle/Junior: **ages 11–13**
- Intermediate: **ages 8–10**
- Senior: **ages 14+**

It is the responsibility of the local PTA/PTSA to determine the appropriate division if necessary.

Arts Areas

Students may submit works in any of six arts areas:

- Dance choreography
- Musical composition
- Film production
- Photography
- Literature
- Visual arts

The national PTA organization does not limit the number of entries a student may submit.

Originality

Each entry must be the original work of one student only. An adult may not alter the creative integrity of a student’s work. Because the program is designed to encourage and recognize each student’s individual creativity, help from an adult or collaboration with other students is not allowed. Only one student may be recognized as the award recipient for each entry. Other individuals may appear in or perform a student’s work, but the work itself—the dance choreography or film production (including screenplay, camerawork, and directing) or musical composition (including written score and any lyrics), etc.—must be the creative product of one student only. (See the specific arts area rules for details.)

Use of copyrighted material (other than recorded music in dance choreography and film production entries) is prohibited.

Plagiarism is defined as taking and using another person’s ideas, writings, or inventions as one’s own. Plagiarized entries will be disqualified and returned to the students.

Student Entry Form

All participants are required to fill out in its entirety and sign the Student Entry Form. Students who have not completely filled out the entry form will not be eligible to participate in the program. In situations where the child cannot fill out the entry form or write legibly, a parent may complete the form.

Students have the option of titling their works. If a work has a title, the title must be included on the Student Entry Form. If the work has no title, please write "Untitled." All entries must include an artist statement that describes how the piece relates to the theme. For most arts areas, students must also answer a few questions about how they created their works; see Required Information on the Student Entry Form.

Required Artist Statement

Each participant is required to submit an artist statement that describes what inspired him or her to create the work and how it relates to the theme. The artist statement is mandatory for all entries in all grade divisions. The statement should not exceed 250 words; there is no minimum length. The Student Entry Form provides a space for the artist statement; if the statement does not fit in the space given, it may be written on a separate sheet and attached to the Student Entry Form. Make sure the student's full name appears on any sheet attached to the Student Entry Form.

Children with Disabilities

PTA believes that each child with a disability should be provided a free and appropriate public education. Therefore, the Reflections Program at the national level does not have a special division for students with disabilities. The national PTA organization believes it is the right of parents to place their child in the Reflections Program grade division that best reflects the child's developmental age. However, guidelines for state and local Reflections Programs may vary. Check with your state PTA for its guidelines.

Deadlines

Students must submit all works by the deadline established by their local PTA/PTSA. Each local PTA/PTSA sponsoring the program sets its own deadline for entries, in adherence with state, district/region, and council deadlines. Entries are judged at the local level and the top entries are forwarded to the next level of judging (council, district/region, or state). Direct all questions regarding deadlines or rules to your state PTA office or arts chair. The national PTA organization does not record deadlines for local, council, district/region, or state PTAs.

Judging

All national entries are judged on artistic merit, creativity, mastery of the medium, and interpretation of the theme. Mastery of the medium in the context of the national Reflections Program pertains to the level of skill the student demonstrates in the basic principles/techniques of the arts area. However, a well-developed concept is more important than technique. Entries will be judged primarily on how well the student uses his or her artistic vision to portray the theme.

The Reflections Program makes no restriction on content or subject in artwork. Students who are submitting entries need to meet school and/or local and state PTA standards.

Each PTA determines its own judges for the program. Under no condition may parents or students contact the judges to dispute the status of an entry. All decisions of judges are final.

“Beauty is . . .”

2009–2010 PTA Reflections Program | VISUAL ARTS

Students must adhere to the General Student Participation Rules as well as the following Visual Arts Rules.

Description

A visual arts entry must be an original print, drawing, painting, collage, photographic collage, metal etching or punch work, fiber work, or computer-generated artwork that relates to the current Reflections Program theme.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Presentation

- All art must be flat and may not be more than 3/8 inch thick. This includes all two-dimensional materials and images, including small, flat items (such as string, fabric, and screening) that have maximum surface contact with the face of the image. Nothing three-dimensional (noodles, beans, beads, boxes, etc.) may extend off the surface of a work.
- No art may exceed 24 inches by 30 inches, including a mat.
- Entries may be submitted on paper, canvas board, cardboard, hot or cold pressboard, or canvas (not to exceed 3/8-inch thickness).
- Mount all paper or canvas entries on sturdy cardboard mats, but not in wood, metal, plastic, or glass frames.
- Protecting the work with butcher paper taped to the back so that it will flap over the front is highly recommended.
- Do not laminate. It will permanently damage the surface of the artwork.
- Place the Student Entry Form in a sheet protector and secure it with masking tape to the back of the artwork so that it is still accessible and can be removed from the protector for photocopying.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write “Untitled.”

Required Information

On the Student Entry Form, give the dimensions of the piece (including any mat) and describe the medium (crayons, oil on canvas, etc.).

Works Not Accepted

- Sculpture, ceramics, jewelry, and other three-dimensional artwork
- Reproductions* or enlargements of other artwork

*Exceptions: Seniors will be allowed to submit a high quality digital print of their artwork. They must contact the State Office at 1-800-TALK PTA or at programs@txpta.org for details.

Use of Copyrighted Material

Use of copyrighted material, including any copyrighted cartoon characters or other such material, is not acceptable in any visual arts submission, with the following exceptions:

Visual artworks may include public places, well-known products, trademarks, or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.

Visual arts collages may include portions of existing copyrighted works, such as photographs, magazine clippings, Internet images, and type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new and different work of art. A collage should be judged for its whole, not by its parts, and whether the resulting work stands as a creative, *original* work of art on its own.

"Beauty is . . ."

2009–2010 PTA Reflections Program | PHOTOGRAPHY

Students must adhere to the General Student Participation Rules as well as the following Photography Rules.

Description

The entry may incorporate such techniques as montage, multiple exposure, negative sandwiches, and photograms. Images may be manipulated conventionally or digitally. Images should demonstrate the student's proper use of photographic techniques such as depth of field and exposure. The images may be created using various lenses, filters, and light sources. Photographs with added graphics over the image, including lettering, are not acceptable.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Presentation

- A single print or collage may not exceed 11 inches by 14 inches, including a mat.
- Print the entries on paper or other two-dimensional material.
- Mount all prints on a cardboard mat, poster board, or some other sturdy material.
- Protecting the work with butcher paper taped to the back so that it will flap over the front is highly recommended.
- Framed entries, original film (negatives or transparencies), and multidimensional pieces are not accepted.
- Place the Student Entry Form in a sheet protector and secure it with masking tape to the back of the photograph so that it is still accessible and can be removed for photocopying.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write "Untitled."

Required Information

On the Student Entry Form,

- Give the dimensions of the piece (including any mat).
- Specify the location and date of the shot.
- Describe the type of camera and process used in preparing the piece.

Use of Copyrighted Material

Use of copyrighted material, including copyrighted cartoon characters or other such material, is not acceptable in any photography submission, with the following exceptions:

Photographs may include public places, well-known products, trademarks, or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.

2009–2010 PTA Reflections Program | DANCE CHOREOGRAPHY

Students must adhere to the General Student Participation Rules as well as the following Dance Choreography Rules.

Description

A dance choreography entry must be an original choreographed dance recorded on a CD or DVD. The choreography must be the work of one student and must demonstrate creativity and interpretation of the current Reflections Program theme. It is suggested that the required artist statement be given at the beginning of the recording, in addition to being written on the Student Entry Form.

There may be up to three dancers performing the choreography. The choreographer may be the performer or one of the performers, but does not have to be. Costumes are not necessary. If costumes are used, however, the choreographer must also create the costumes or directly note that the costumes are not his or her original work.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique. Therefore, it is very important that the student show a clear relation of the dance choreography to the theme. The connection should be made evident through the use of song, props, and the dance itself.

Traditional Dance

The modification of the steps and the interpretation of the dance are considered when judging a traditional dance for creativity and/or originality. An explanation of the origin of the dance and/or the significance of the choreography might be a useful addition to the artist statement when submitting a dance choreography entry that involves traditional cultural or regional dances.

Presentation

- Entries may not exceed three minutes.
- The choreography should directly relate to the theme.
- Submit a CD or DVD of a performance of the choreography.
- The choreographer is not required to be the (or one of the) performer(s).
- Please state your artist statement at the beginning of the recording (the artist statement is not considered part of the three minutes of the entry).

Format

- Submissions should be in one of the following file formats:
 - .MPG / .MPEG
 - .MOV / .QT (QuickTime Video)
 - .WMV (Windows Media Video)
- The recorded performance should be saved as a file on the CD/DVD, not as a CD/DVD movie.
- Submit the CD/DVD in a plastic or cardboard container; identify both the CD/DVD and the container with the student's name, title of work, grade division, state, and year.
- Pack the CD/DVD in a large envelope.
- Place the Student Entry Form in a clear sheet protector; then secure the sheet protector to the outside of the envelope with masking tape so that it is still accessible and can be removed for photocopying.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write “Untitled.”

Recommendations for Quality Recordings

- Use a tripod to hold the camera still.
- Make sure there is plenty of lighting, especially if shooting indoors.
- Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.).
- Make sure the background music (if any) is audible on the recording.

Music

The title, composer, and performer of any background music must be credited and documented on the Student Entry Form. If the entry's connection to the theme is expressed in the song choice, this should be explained in the artist statement.

Required Information

On the Student Entry Form, in addition to crediting any background music, please state who performed the choreography. (Please obtain parental consent for any minors who appear in the performance.)

Description

The student submitting the entry must be the director, screenwriter, and cameraperson. If using a computer, the student must do all the work. If the student chooses to appear in the production, a camera on a tripod may be used. All storyboarding, editing, etc. must be done by the student.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Styles

- **Animation:** Animation may be drawn; created from a collection of objects, clay, torn paper, etc.; or computer-generated.
- **Narrative:** A story told through the images created on film or computer. (This is not the same as a storyteller narrating an original story.)
- **Documentary:** Nonfiction documentation using narration, facts, and images.
- **Experimental:** Video that explores movement, light, and montage.
- **Media presentations:** Computer-generated media presentations must be completely original, and the student must do all the work. Cutting and pasting from other sources is not permitted.
- **PowerPoint presentations will not be accepted.** Students must adhere to copyright laws. Software should be used only to enhance and present the work of the student. Due to the fact that most graphic elements of PowerPoint presentations are copyrighted clip art, use of this program is prohibited.

Presentation

- Entries may not exceed five minutes.
- The film should directly relate to the theme.
- The student submitting the entry is not required to appear in the film.
- Entries should be submitted on CD or DVD.

Format

- Submissions should be in one of the following file formats:
 - .MPG / .MPEG
 - .MOV / .QT (QuickTime Video)
 - .WMV (Windows Media Video)
- The entry should be saved as a file on the CD/DVD, not as a CD/DVD movie.
- Submit the CD/DVD in a plastic or cardboard container; identify both the CD/DVD and the container with the student's name, title of work, grade division, state, and year.
- Pack the CD/DVD in a large envelope.
- Place the Student Entry Form in a clear sheet protector; then secure the sheet protector to the outside of the envelope with masking tape so that it is still accessible and can be removed for photocopying.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write “Untitled.”

Recommendations for Quality Recordings

- Use a tripod to hold the camera still.
- Make sure there is plenty of lighting, especially if shooting indoors.
- Think about sound. Use an extra microphone (boom mike) if needed. Turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.).

Music

The title, composer, and performer of any background music must be credited and documented on the Student Entry Form. If the connection to the theme is expressed in the song choice, this should be explained in the artist statement.

Use of Other Copyrighted Material

Films may include public places, well-known products, trademarks, or certain other copyrighted material as long as that copyrighted material is incidental to the subject matter of the piece and/or is a smaller element of a whole. The resulting work cannot try to establish an association between the student and the trademark/business/material, or influence the purchase/non-purchase of the trademarked good.

Required Information

On the Student Entry Form, in addition to crediting any background music, please answer the following:

- Who appears in your film? (Please obtain parental consent for any minors who appear in your film.)
- Was a computer used? If so, name the software and hardware.

2009–2010 PTA Reflections Program | MUSICAL COMPOSITION

Students must adhere to the General Student Participation Rules as well as the following Musical Composition Rules.

Description

A musical composition entry may be for voice, instruments, or a combination of voice and instruments. Lyrics may or may not be included in vocal compositions. The composition is not to exceed five minutes. The entry must relate to the current Reflections Program theme.

The use of composition software is permitted. Students are strongly discouraged from submitting highly edited MIDI sequences or audio files. The recording submitted must capture performers in real-time. The entry may not include imported MIDI or other source files, or use algorithmic composition software.

Use of notation software for the purpose of creating scores and printed parts is permitted. Whether the score is handwritten or computer-generated, appropriate instrumentation and voicing are required for the performance.

Musical composition entrants are not to borrow from copyrighted material.

Whether an entry uses a variety of techniques or a simple approach, it will be judged primarily on how well the student uses his or her artistic vision to portray the theme. A well-developed concept is more important than technique.

Musical Notation

Whether a student must submit musical notation is determined by his or her grade division:

- **Primary and Intermediate:** No notation is required. Iconic notation may be submitted. Iconic notation is “made-up” notation.
- **Middle/Junior and Senior:** Notation, either traditional, tablature, or electronic, is required. The notation should aid the listener and serve as a guide through the piece.

Adults may not assist. Physically challenged students may dictate to another person who may write the notation. The quality or accuracy of the notation and performance support the musical idea, but they are not considered judging criteria.

Presentation

- Entries may not exceed five minutes.
- Submit a CD recording of a performance of the composition.
- Students are not required to perform their own compositions.
- A student’s composed work may be performed by a group.
- Score size:
 - Entries should be no larger than 11 inches by 14 inches.
 - Band and orchestra compositions may be 11 inches by 16 inches.
 - Do not mount or bind the scores.

Format

- Submit the CD in a plastic or cardboard container; identify both the CD and the container with the student's name, title of work, grade division, state, and year.
- Pack the CD with the score (if required) in a large envelope. Write the student's name on the back of each page of the score in case pages become separated.
- Place the Student Entry Form in a clear sheet protector; then secure the sheet protector to the outside of the envelope with masking tape so that it is still accessible and can be removed for photocopying.
- Include the title and required artist statement on the Student Entry Form. If the entry has no title, please write "Untitled."

Recommendations for Quality Recordings

- Make the room you record in as quiet as possible. Close windows and turn off all noise-making devices in the room (air conditioners, fans, telephones, etc.). Do not place the recording device on top of an instrument or speakers.
- Don't record at too loud (in the red zone on the meter) or too soft (meter barely moving) a level.
- Record a short test and listen to it while watching the meter. If needed, improve recording quality by changing the record volume or microphone location.
- Return to the beginning of the CD and record two seconds of silence; then start performing your composition. Finish with another two seconds of silence.

Required Information

On the Student Entry Form, please answer the following:

- Who performed your composition?
- Did you use traditional instrumentation or a synthesizer?
- If you used MIDI, what software and hardware did you use to compose your work?
- If you included lyrics, how do they work with your composition?
