A parent/student meeting will be held on Monday, September 13 at 7:00 p.m. at Lone Star High School.

We have beginners and advance classes. Each class is one hour long, and will be held once a week at 4:30pm to 5:30pm...please note start date is Monday, September 20, 2010.

If you would like more information about the class, about Frisco Elementary Strings, or would just like to receive information about activities in Frisco please visit <http://www.friscoisd.org/parentsStudents/afterschoolprograms/index.htm> or email wagnerc@friscoisd.org 469-633-5333

Would you like to create cool chemical reactions? Explore the world of geology, paleontology and bubbleology? Experience electricity, air pressure, the science of food and much more? Our **hands-on science programs** are currently held at various campuses, and more locations will be added throughout the school year. Kids take home the experiments they make and create each week! Different experiments will be done each session!

To Register, go to: <http://www.KidzScience.com/registration.htm>.

If you have any questions, please email us at kidzscience@me.com or call Laura Tilton at **972-898-2884** or Jet Tilton at **469-247-6558**.

A SPANISH IMMERSION SCHOOL

¡BIENVENIDOS!

Come and join us for after-school Spanish Classes!!

Fall classes currently underway. Registration for fall semester available now online.

- Our interactive classes allow your child to be fully absorbed in the Spanish language and culture while learning Spanish vocabulary, listening to music and participating in games.
- Open to K-5th graders, students will be placed into groups based on age and Spanish ability. Student:teacher ratio of 8:1. Beginner, Intermediate and Advanced classes are available (based on minimum enrollment).
- Classes meet once a week from 3:00-4:00 p.m. for 12 weeks.
- For more info, please visit us at www.spanishschoolhouse.com or call 972-345-4210.

Young Rembrandts

Drawing is the fundamental skill of the visual arts that can - and should - be learned by all children. Young Rembrandts teaches the drawing skills children need while developing learning skills that give children an academic advantage in the classroom. The Young Rembrandts classroom experience is engaging, educational and affordable. You will not be notified with take home flyers anymore and space fills up quickly.

Enrollment is online <http://www.youngrembrandts.com>
