

EdHelpForParents.com

FREE Internet Access to Parent and Student Resources available at www.EdHelpForParents.com

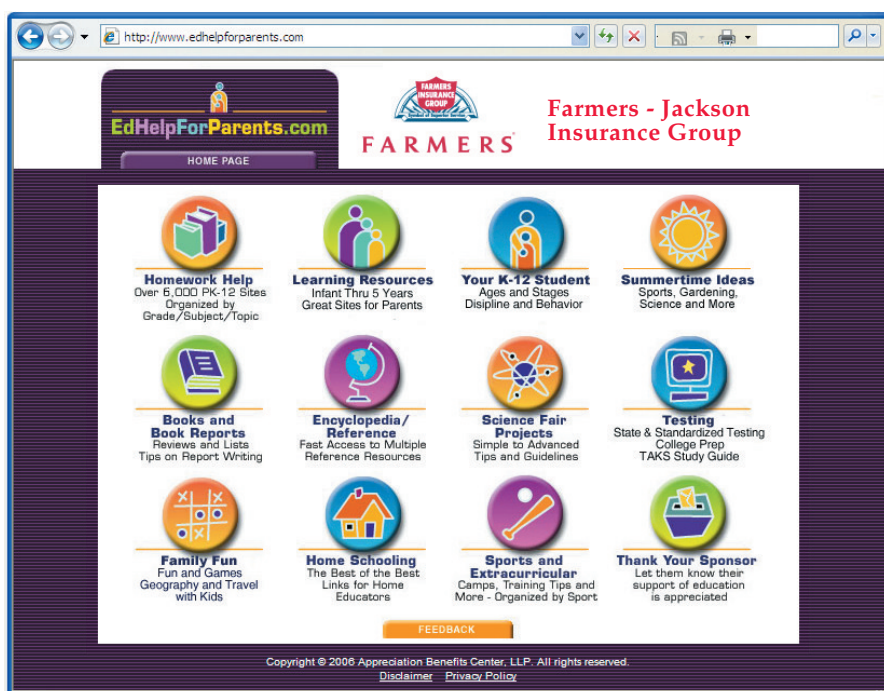

EdHelpForParents.com enables parents of Pre-K-12 school children to assist the student in the preparation of homework through thousands of home-use resources created, critiqued and approved by teachers. In addition, there are numerous non-course work Internet sites ranging from science fair project help to assistance with college preparatory tests. EdHelpForParents is also a site students can personally use to help them with their homework and other school related topics.

The site offers specific benefits including:

- **Homework Help**
Over 3,500 PK-12 sites organized by grade, subject and topic.
- **Learning Resources**
For infants through five years. Great resources for parents.
- **Your K-12 Student**
Ages and stages. Discipline and behavior. Learning difficulties.
- **Books and Book Reports**
Reviews and lists. Tips on report writing.
- **Summertime Ideas**
Summer learning links for sports, gardening, science and more.
- **Encyclopedia/Reference**
Fast access to multiple reference resources.
- **Science Fair Projects**
Simple to advanced. Tips and guidelines.
- **Testing**
Student study guides for TAKS testing and college entrance exams.
- **Family Fun**
Some for learning and some just plain fun.
- **Home Schooling**
The best of the best links for home educators.
- **Sports and Extracurricular**
Camps, training tips and more - organized by sport.
- **Thank your Sponsor**
Let them know their support of education is appreciated.
