

Isbell's Traffic Flow

Safety First:

To keep our kiddos safe, the circle drive that is located in the back of the school will be closed daily from 7:30- 2:45.

Mornings:

Students may begin arriving at 7:30 AM. All students being dropped off in the morning will enter Bert Boulevard, the front circle drive. When dropping off your child, please pull all the way into the front driveway. Our helpful safety patrol will assist our younger children when hopping out of the car. Our goal is to unload many cars at one time to help relieve some of the morning traffic stress. When leaving the driveway, please turn right on Maltby. This will help keep the carpool line moving.

Please remember to "kiss & go" this keeps the traffic flow moving.

Between 7:30 and 7:50, all students will enter Isbell through the cafeteria doors. Kindergartners, first graders, and second graders will wait in the cafeteria. Third, fourth, and fifth graders will proceed to the gym. At 7:50, all students will be dismissed to their classrooms. Students arriving after 8:00 AM should enter at the office and will be marked tardy.

Afternoons:

Dismissal begins at 3:00 PM. All carpool students will be dismissed from the gym. Teachers will dismiss students from the gym using their carpool number signs hung from your rear view mirror. Please make sure you hang your sign each day! All busses and daycare van students will use Bert Boulevard, front circle drive, for pick up.

Walkers are dismissed at the front of the building.

K-1/cafeteria Doors

2,3,&4/front Doors

5th/pod doors or front doors

NO PARKING

Please do not park along the curb in the front circle drive, in the mornings or afternoons. This lane should be clear of all parked vehicles during arrival and dismissal.
