Frisco ISD Check Policy

Our school district has established the following policy for accepting checks and collecting bad checks: **For a check to be an acceptable form of payment it must include your current, full and accurate name, address, telephone number, driver's license number and state.**

In the event your check is returned for non-payment, the face value may be recovered electronically along with the state allowed recovery fee. In the event your check is returned for non-payment, checks will no longer be an acceptable form of payment for the remainder of the school year. Alternative forms of payment must be used instead of a check payment.

October is Fire Prevention Month

The McKinney Fire Clowns are scheduled to "clown around" with our primary students on Oct. 8th. They will create giggles and laughs and teach our students about Fire Safety.
