**Dear Ogle Parents:**

**We would like to introduce you to a new system our school has acquired to help protect your children. It is called V-soft. V-soft helps track visitors and volunteers at our school, thus providing a safer, more monitored environment for students.**

**Each time visitors and volunteers check-in, or parents come to pick up students, they will be asked to present a valid state issued ID for entering into the system. The system has the ability to provide alerts on people who may jeopardize the safety of our campus. Each person will need to have their valid state ID scanned one time into the system. This will create a record for you to serve as a campus visitor/volunteer. Volunteers will still need to complete the volunteer form at [www.friscoisd.org/parentsStudents/](http://www.friscoisd.org/parentsStudents/) in order to volunteer in the building.**

**We feel certain this will help us keep our campus a little safer, and ask for your cooperation in presenting your valid state issued ID when checking in at our campus. All schools in FISD will be using this new program.**

**Thank you in advance with this, as student safety is our number one priority. Please let me know if you have any questions or concerns.**

Principal**
