

Dear FISD Family of Diverse Learners,

We know that you understand only too well the challenges and the joys of parenting a Diverse Learner. Whether our child is special needs or gifted and talented, we can find ourselves overwhelmed with the necessities of our child's school day. Yet we yearn for connections to other families who understand the additional complexities of our situation.

Because Every Child is Unique

The Frisco Council of PTA's has achieved success in addressing the realities of cultural diversity within the school setting. It is time to turn our attention to the special needs of families with children who learn differently. By establishing the SAGE (Special and Gifted Education) committee, the Frisco Council of PTA's has embarked on this journey with us. With your participation, we can bring about a PTA-based network of families and teachers addressing the unique needs of our kids. We urge you to join your local PTA, and ask about SAGE.

It is vital that we combine our knowledge, our experience and our resources to benefit all our children along the way.

If you are interested in receiving informational emails, attending informational meetings, hearing professional speakers or in being a part of SAGE and connecting with Parents in similar situations, please fill out the information below and return it to the school office.

If you have any questions, please feel free to contact your Riddle SAGE Representative  
Teresa Pavich texanteressa@sbcglobal.net 972-712-0548.
