The purpose of the program is to promote volunteer service to the school and community. Students who complete all requirements of the program will be recognized at their graduation ceremony by a colored cord and recognition in the graduation program. Students wishing to participate should complete 100 hours of service, either individually or as part of a group project. All documented volunteer hours will be accepted including required hours completed for other organizations. The hours must be completed in grades 9-12 (hours completed during the summer following the 8th grade will also be accepted.) Students must complete a documentation form located in the Registrar's office or online. Hours should be turned in to the Registrar's office as they are completed but no later than April 1st of the year in which the student intends to graduate. Undocumented hours will not be accepted.

Community Service is defined as:

1. Work without being paid for a nonprofit organization geared towards improving the community (Red Cross, American Cancer Society, Frisco Family Services, etc.)
2. Work performed without being paid as part of a civic, religious, school, charity or community organization geared towards improving the community or school (Rotary Club, NHS, Frisco Family Services, etc.)
3. Work performed by a religious organization must be work that could be performed by a nonreligious organization.

Examples of non-community service:

1. Babysitting for a neighbor without being paid.
2. Tutoring your little brother (tutoring others may count if arranged through the NHS or the high school counseling department.)

I understand the terms and conditions and that these hours meet the criteria as listed in the FISD Student Handbook.
