ADDENDUM

MS Cheerleading Constitution and Guidelines

2010 - 2011

ADDENDUM

Participation Physicals:

- When selected to one of the squads – students must turn in a participation physical form signed by a physician. If an athletic physical has been turned in for a different activity, that will suffice.
- A candidate will not be able to try out for cheerleader if he/she violates any rules or requirements listed under “Academic Requirements” on page 3 or “Conduct Responsibilities” on page 4.**

**** For the 2010 tryouts only, this requirement will be in effect beginning with the day of distribution of this policy addendum. Only discipline or academic issues occurring after that date will be considered.**
