

MEDICATION POLICY CHANGE

Over the Counter Medications that can be given at school by the Nurse without a note from the doctor are:

- Tylenol or generic equivalent (Acetaminophen)
- Advil, Motrin or generic equivalent (Ibuprofen)
- Benadryl or generic equivalent (Diphenhydramine)
- Tums or generic equivalent
- Cough drops

All medications must be supplied by the parent & in the original container (smallest possible). A Request for administration of medication form must be completed. <http://www.friscoisd.org/admin/docs/103054030610.pdf>

Note: After 10 doses of the above medications are given, a doctor's note will be required.

All other over-the-counter medications must have a note from the doctor to be given at school.
