

Subscribing to blogs

Don't go to the web

Make the Web come to you

It is time consuming to visit each teacher's website. But using RSS , you can have the content from websites delivered to you...and best of all, IT'S FREE!

<p>Step 1 – Sign-up for an account with one of the following websites, or any other blog aggregator of your choice.</p>	
<p>Step 2 – Click add Subscription and paste the address of the teacher's blog/wiki.</p>	
<p>Step 3 – Check your reader once a day to read all the new updates. All the new content from all your subscriptions will appear in one easy to read window.</p>
