## News from the Library

Looking for something good to read? Stop by the library and check out some of our new books. Obtaining new books in the Liberty Library is an on-going event throughout the school year as new ones are written and published.

“Hush, Hush” by Becca Fitzpatrick. High school sophomore Nora has always been very cautious in her relationships, but when Patch, who has a dark side she can sense, enrolls at her school, she is mysteriously and strongly drawn to him, despite warnings from her best friend, the school counselor, and her own instincts.

“Erak’s Ransom” by John Flanagan. The latest adventure in the Ranger’s Apprentice series, chronologically takes place after Book 4. Soon to conclude his apprenticeship and become a ranger, young Will joins Halt, Gilan, Horace, Evanlyn, and Svengal on a perilous mission to free their friend Erak, who has been captured by the Arridians and held for ransom. The vaguely Middle Eastern desert setting provides new challenges, new allies, and new foes for the Araluens and their Skandian friends. Bringing together many favorite characters for a grand adventure, this book delivers both excitement and quiet good times.

“Crazy Beautiful” by Lauren Baratz-Logsted. Lucius, whose arms were blown off in an explosion, forms a relationship with Aurora, a young girl whose mother recently died, in hopes that she will be able to help free him from the stigma of being different.

“Kiss Me Kill Me” by Lauren Henderson. Longing to be part of the in-crowd at her exclusive London school, orphaned, sixteen-year-old Scarlett, a trained gymnast, eagerly accepts an invitation to a party whose disastrous outcome changes her life forever.

## Righteous Redhawk!

- Pernie Fallon—"Pernie is such a dedicated teacher. She goes above and beyond, heading up several extracurricular clubs, and always does so with such a great disposition. She is a joy to work with and shines the light of a righteous Redhawk throughout the whole department."
- Brandy Hoskins—"What a shining face to see in the office every day! Brandy has been a great addition to our staff this year. Always helpful, and always with a smile Truly a righteous Redhawk."
- Cedric Chapple—"Cedric has weathered changes in the classroom without one single complaint– he maintains a GREAT attitude and has adjusted to each change by helping the students as well as adults. He is soooooo valuable to have in the life skills classroom and he is very knowledgeable about the students in the classroom as well. He is a wonderful asset! Don't know what we would do without him."
- Ashleigh Ruzicka—"Ashleigh went in to cover a class for us, and she did it with a smile. She can always be counted on to come through and to do so with a great attitude. Thank you, Ashleigh!"
- Cheri Sapp—"Cheri is the FORM QUEEN! Over the years, Cheri has developed many forms for our department. She recently developed one very quickly to help our team prepare for an ARD happening the next day. It really isn't the FORM so much as the willingness to help when needed. She also developed a planning day for our staff that helped the team collaborate in order to write meaningful IEP goals, improve ARD paperwork and disseminate data to help our students. Cheri is an awesome teacher as well—her co-teaching is raising our standards for classroom performance!"
- Mary North—"We had numerous tests to modify and Mary did a TOTI and helped us modify many of our tests for students in elective classes! The SPED department really appreciates her help!! She deserves special recognition for helping us get out of a crunch!!"
- Dina Baalbaki—"Dina is one of the hardest working, most dedicated teachers I know! She puts in COUNTLESS hours grading, planning, and tutoring in the valiant effort to be an outstanding teacher. I admire her. Dina, your students are truly fortunate to have you for a teacher. Your love for them \*and\* your love of the French language is inspiring."
- Dr. John Burdett—"Anyone who can so patiently put up with nit-picky requests and lots of emails regarding a certain ISM Showcase is a Righteous Redhawk! :-). Thanks for all your support and help in making the Showcase such a success, and for doing it with a great attitude. This year's Showcase was the best one yet, and that's because it was held at Liberty! Go Redhawks! :)"
- Dr. Mike Waldrip—"Thank you so much for your continued support of ISM. Thank you, too, for your presence at our Showcase. A number of the parents and students mentioned your presence there and how much they appreciate your seen and unseen support of such an outstanding program. Thanks also for all the running you did that night—letting kids through the gate, unlocking classrooms, running after paper plates, etc. You lead by example, and you are admired for that."
- Mary North—"Mary, Thank you so much for all your help with this RR program! I could not EVEN begin to do it this year without your help in keeping track of all the nominations and making sure the students ones get delivered. You are appreciated!"
