

LHS PARKING REGULATIONS

You have many personal responsibilities when driving an automobile on the LHS campus, as well as responsibilities for the welfare of others. All drivers are expected to abide by the rules pertaining to the parking areas/LHS campus, in addition to those outlined by the Department of Public Safety.

1. All vehicles parked on campus must have a valid parking permit. (See the back of this form for information about acquiring a parking permit.)
2. The parking permit must be placed in the lower right hand corner of your windshield (the passengers' side). Failure to display the parking permit correctly will result in loss of parking privileges.
3. Using a parking permit other than your own is a serious violation. You may not give your parking permit to another student. If theft and use of another's parking permit is involved, the SRO may be called upon to investigate and driving privileges of the driver in question will be revoked.
4. All students will park in the EAST Parking lot only. Do NOT park in front of LHS or between the Gym and Tennis Courts or between the Cafeteria and Indoor Facility between the hours of 8 am and 2:30 pm.
5. You may not back into a parking space and have the car headed the wrong direction. You must park within the lines.
6. There is to be no parking where the curbs are painted red (fire lane). It may result in a citation being written by the Frisco Police Department/Student Resource Officer.
7. Do not park in loading zones, visitor parking, handicapped parking, or teacher parking.
8. It is imperative that you not exceed the speed limit of 10 mph while driving on campus. Anyone speeding in the parking lot will have their parking privileges revoked.
9. Students are to leave their automobiles and clear the parking lot as soon as they have parked their vehicle.
10. No students will be allowed to ride or be transported in the back of a pickup truck while on the LHS campus. The driver of the pickup will have their parking privileges revoked.
11. **ANY** and **ALL** drugs, alcohol, drug paraphernalia, illegal weapons found in vehicles on the LHS campus will lead to a full year suspension of driving privileges for the owner/driver of the vehicle.
12. If you have received a violation, you may be asked to show proper ID – Driver's license and proof of insurance.

13. At no time are students permitted in the parking lot during the school day without first getting permission from the AP secretaries.

CONSEQUENCES: I understand, if the above rules are not followed, the violation(s) may result in the following:

- Discipline per discretion of the Principal/Assistant Principal (SAT School, Detentions, ISS)
- Parking privileges may be revoked
- Car being towed
- Citation

I understand the above information/rules and hereby promise to abide by these rules.
