As a Liberty High School Student Ambassador you will be asked to assist new students to our school during the year. You will help them get their books, take them on a tour of the school, show them their locker, how to put money in their lunch account, where all their classes are, introduce them to other students and have lunch with them.

Student applications will be reviewed by the Counselors. The Counseling office will notify you if you have been selected to be an Ambassador. The time spent assisting new students will count as Community Service hours.
