

Dear Parent,

The Home Access Center is designed to allow you to view student grades as they are published. At Pioneer, we will use the Home Access Center for lesson plans but we will also post these on teacher websites. You may find the information easier to locate there. Teacher websites may be located by clicking on the 6th, 7th, or 8th grade web site links on the Pioneer home page.

The remainder of this document contains a screenshot for each section of the Home Access Center. Important features are highlighted with brief explanations.

Please note: The Home Access Center is closed from the last report card mailing through the first progress report mailing of the following year. You may not have access to schedule information or grades from the end of one school year through the first progress report of the next.

You will go to <https://hac.friscoisd.org/homeaccess/> to login to your HAC account.

The screenshot shows the Home Access Center login interface. At the top, there is a header with the text "Home Access Center" in red. Below the header is a blue horizontal bar. The main content area is enclosed in a blue border and contains a login form on the left and a welcome message on the right. The login form has two input fields: "Username: *" and "Password: *", both with asterisks indicating they are required. Below the password field is a "Log In" button. The welcome message on the right says: "Welcome to the Home Access Center. To begin, please enter your **username** and **password**." Below this, it says: "Please visit [Frisco ISD Secondary School Page](#) for campus news."

If you forget your username or password, you can email PHMSHAC@friscoisd.org to request that information. Login information may only be given to individuals listed as “Guardian” on student records.

This email is only monitored on school days.

As soon as you login, you land on the daily summary page.
