*** RePlay It®: Print yearbook + Digital extra content = Better Together**

Jostens' RePlay It website is a new online RMS photo album. You can view and enjoy thousands of full-color photos of Roach students and activities, taken by Roach yearbook staff . Students/parents can easily submit their own photos to share. After book delivery, only purchasers of the 2012 Roach yearbook will retain access to this site which will include photo coverage of spring activities that aren't in the yearbook and additional full-color photos that helped define the 11- 12 school year from the students' point of view. Start sharing your own special photos and stories. The best ones could even make it into the print yearbook!

Go to RePlayIt.com. Click on "Find your school" in the top right corner to gain access.
