Dear Parent or Guardian:

Attached you will find a copy of the State of Texas 2008-2009 School Report Card for Stafford Middle School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be sent to the parent or guardian of every child enrolled in the public schools. The report provides information concerning student performance as well as information concerning expenditures, average class size, and student/teacher ratios.

State law requires that the information be provided for the state, the district, the school, and a group of schools similar to our school. Where possible, the information must be reported by ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found on the internet at:

<http://ritter.tea.state.tx.us/perfreport/src/2009/campus.srch.html>

A more complete report about our school, the Academic Excellence Indicator System (AEIS) report, is available from our school or can be accessed online at:

<http://ritter.tea.state.tx.us/perfreport/aeis/2009/index.html>

Please contact me if you have any questions concerning this report card. We will hold a public hearing in our library to discuss the 2008-2009 School Report Card on Monday, January 25th at 4:15 pm. Thank you for your continued support of Stafford Middle School.

Sincerely,

Robin Scott  
Principal, Stafford Middle School
