Influenza Update

We are still seeing a few cases of influenza among our students, however our absences at Wester seem to have returned to normal numbers. All FISSD nurses are continuing to submit a daily report of absences and influenza or influenza like illness numbers to District personnel. Please continue to keep your sick children home, follow the fever policy of fever free for 24 hours before returning to school without taking a fever reducing medication like Tylenol or Advil, and report your child's symptoms when you call in their absence. We appreciate your help in keeping Wester students and staff well!

For information and updates on the H1N1 influenza and H1N1 vaccine through Collin County Health Department, please visit their website at <http://public1.co.collin.tx.us/swineflu/default.aspx>.

Health Screenings

We will be conducting our State mandated health screenings for all 7th Graders on November 17. This will include vision and hearing screenings. Please remind your child to bring his or her glasses on that date.
