Bio & Education

I left my small town of Wichita Falls, Texas to pursue my BBA from the University of North Texas in the “big city” of Denton, Texas. I also earned a MBA from University of Phoenix and worked in ‘Corporate America’ during and after college. But after eight years, I decided to become a certified English teacher. My first teaching job was with Mesquite ISD, I was there for two years before I moved to Frisco ISD to teach ESL. The ESL (English as a Second Language) program has given me the opportunity to introduce the English language to students from all over the world. As I enter my fifth year, teaching ESL has been an enlightening experience and I look forward to serving students in Frisco ISD for many years.
