### Bio & Education

I received my BBA in Accounting from Middle Tennessee State University and worked for several years in banking. My career was very uninteresting, so I went back to school to be a teacher. I started in Houston teaching Algebra 1. We soon moved to Plano and I worked for Lewisville ISD at Griffin Middle School in The Colony. I was ready and waiting to come back to high school. We now live in Prosper and I'm so glad to be teaching Algebra 2 and Precalculus. Every day is a new and full of exciting challenges. I'm looking forward to a long career with Wakeland High School and Frisco ISD!

### Course Taught

A Days  
Algebra 2  
Conference  
Algebra 2  
Algebra 2

B Days  
Algebra 2  
Conference  
Precalculus  
Precalculus

### Activities/Hobbies

- Proud wife and mom of two children
- Enjoy reading, scrapbooking, baking and traveling (although I don't get to travel much!!!)

Wakeland High School  
2009-2010
