- View college overlaps.
- View scattergrams with your student's score compared historic date from other WHS applicants.
- Check application deadlines for colleges in your personal application list.
- Update application information.
- Sign up for a scheduled college visit with reps coming to the WHS College/Career Center.

About College

College Lookup – Look up colleges by name, by alphabet, by state or by country.

College Match – Use historical application data from your school to match students with colleges that have test score and GPA averages within a certain range of that student.

College Compare

- Compare a list of colleges using the average test scores and GPA for students that were accepted in the past from your high school.
- If a student has signed-in, it will automatically overlay the student's scores and GPA against the averages for each college and provide a color-coded comparison.

Scattergrams

- Select a scattergram from the list of all colleges with application data for your high school.
- If a student has signed-in, it will automatically overlay the student's score and GPA onto the graph.

Acceptance History – Displays a list of all colleges that have accepted students from your high school, how many were accepted, and how many chose to enroll.

Visit Schedule

- Displays a list of the upcoming college visits that have been scheduled.
- If a student has signed-in, they can click on a visit to indicate that they will be attending.

Scholarships and Aid

- Displays a list of local scholarships and financial aid awards that you have entered for your school.
- Provides details on deadlines, maximum award and requirements for each scholarship.

From the Counselor

Resources – Displays a list of other web-based resources related to colleges and financial aid.

Contact Me

- Allows a user to send an email to the counseling office.
- If a student is signed-in, the email will be directed to their counselor.
