

August 25, 2008

Dear Parent or Guardian,

In a rapidly growing school district such as Frisco ISD, it is very important that we work to make sure that students are attending school in the appropriate attendance zone, understanding that it can be confusing.

In order to accomplish this, we are requiring an annual proof of residence which must be provided by September 5, 2008, or 10 days after enrollment. An example of proof of residence is a copy of the most recent utility bill from your electric, gas, water or current lease. If you have recently purchased your home, a copy of the closing papers will suffice until a utility bill is available to reproduce. If you are living with a relative or friend in our zone, an affidavit must be completed, notarized and returned to the school office along with a current utility bill.

This is very important, so please make every effort to provide this documentation. Students who are unable to produce documentation to verify residency in our zone may not be able to attend our school.

If you have questions, or need to have a copy made for you, please call the school or come by our offices.

Sincerely,

School Administration
