

JILL BELL

MARKETING EDUCATION

bellj@friscoisd.org | 469-633-6785 ext. 26783

Bio & Education

Marketing makes me thrive while DECA brings it all together. I have a BAAS from the University of North Texas in Denton and am certified in Marketing and Business Education. As a third generation teacher, I have always known this was my calling. I enjoy teaching students and helping them make decisions about the future. I initially began teaching in FISD at Frisco HS in 2003 and then moved to Wakeland HS when it opened in 2006. I have now made the final move into the Frisco Career and Technical Education Center which has been my goal since joining this district. I am excited and optimistic about the years to come with growing Frisco ISD!

Course Taught

I currently teach Marketing Dynamics, Marketing Management, Family Consumer Science Career Prep I and Business Administrative Procedures. All of these courses have a classroom and work based learning component to the curriculum.

Activities/Hobbies

- Proud wife and mom of two children
- Scrapbooking and floral design
- DECA District 7 Director for the Texas Education Agency
