Bio & Education

I obtained my Bachelor of Business Administration degree, with a major in Computer Information Systems from Howard Payne University in 2001.

After several years of working in the corporate world I decided that my time, effort and education would be put to much better use by teaching the leaders of tomorrow about the business world, and preparing them for the next phase of their lives.

Course Taught

I currently teach Financial Planning, Accounting 2 and BCIS 2 at the CTE Center on “B” days. My “A” days are spent teaching BCIS 1 at Frisco High School.

My conference period is 10:30 – 11:45 on “B” days, and 8:45 – 10:15 on “A” days.
