Bio & Education

My background includes teaching students from ages 5 to 21, from deaf / blind students to students in the regular classroom, and from Arkansas to Texas to Ohio and back to Texas. I have a BA in Elementary and Special Education with a minor in Library Science from Tennessee Tech University. I have a masters in school counseling with an additional certification in career instruction from Southern Arkansas University.

The CTEC is my definition of a dream come true for a counselor! I look forward to many years of working with the future leaders of our community and our nation (our students).

As Counselor I ...

As counselor for the CTE Center I work with students in the FISD system on post secondary plans. This includes:

Career Investigation, College Search & Applications, Technical College Search & Applications, Scholarship Search, Resume Development, Portfolio Development, Interview Skills, Soft Skills, and Job/Employability Skills. I offer workshops for students on various topics relating to post secondary planning and a "Late Night @ CTEC Career Center" for students and parents to come for assistance in their post secondary planning.
