Bio & Education

I received a B.S. in Agricultural Science in May 2005 and a M.Ed. in Agricultural Education in December 2006 from Texas A&M University – College Station.

After graduation, I moved to Spring, TX and taught for two years before moving to Frisco. I am really excited to be in Frisco ISD now and I am anticipating a great school year.

Course Taught

I currently teach Veterinary Assistant Tech I at the CTE Center on B days, 3rd and 4th period. I also teach Introduction to Ag. Mechanics and Ag. Metal Fabrication at Centennial High School on A days and 1st period on B days.

My conference is 4th period on A days from 2:18-3:55 and 2nd period on B days from 10:15-11:45.

Activities/Hobbies

- Advisor for Centennial FFA
- Welding and wood working to build a wide variety of projects
