

JENNIFER HANNA

HEALTH SCIENCE

hannaj@friscoisd.org | 469-633-6780

Bio & Education

I feel extremely fortunate to have found this job in FISD. It has been a blessing to teach and watch students grow and learn about the medical fields. It gives me great satisfaction to help these individuals prepare for their future.

I graduated for Baylor University with a Bachelors of Science in Nursing. My initial professional career was 12 years at Baylor Medical Center in Dallas. I worked in the transplant, open heart and vascular ICU. I worked my way to a management position and even spent several years as a nurse recruiter.

Course Taught

I currently teach three Health Science 2 classes.

My conference period is Aday 1st (8:25-10:05) and 4th period (2:25-4:10).

Being at the hospital > 90% of the time feel free to contact me via email.

Activities/Hobbies

- Proud wife and mother of 3 great children.
- Most weekends I spend at my children's activities: FFL football, middle school volleyball and high school swimming.
- It gives me great joy to be with my family and friends.
