Bio & Education

I retired in June 2007 after thirty years as a law enforcement officer. I spent the last 22 ½ years of my career with the Collin County Sheriff's Office in McKinney. I worked the last four of those years as a School Resource Officer and have taught the D.A.R.E. program as well as several other crime prevention programs. I taught at the local police academy and was involved in several other teaching assignments. I began pursuing my bachelor's degree in 1974 after leaving the Marine Corps, married and raised a family before finally receiving my Bachelor of Applied Arts and Sciences from Texas A&M-Commerce in 2007. I taught for the last two years for McKinney ISD before coming to the CTE-Center and FISD.

Course Taught

I currently teach Introduction to Criminal Justice as well as Introduction to Security Services

My conference is 2nd period each day from 10:30-11:45.

Activities/Hobbies

- Married with four sons-all grown! Yeah!
- Coach bowling for another district high school
- My passion is bowling, but I also dabble in computers and other electronics
