

Carroll School Song

*Her name is Reba, that's Reba Carroll
We named our own school after her, yeah
She is so friendly, that's Reba Carroll
And Frisco thanks her that's for sure*

*At Carroll we say it's great to Cultivate Minds
Respecting Diversity's the key
Encouraging hearts and serving others is great
Achieving success within me*

Chorus

*I am the star of my future,
The star of my mind
I am the star of my life, yeah
I'm doin' just fine*

*I take good care of my school, yeah
I know that I should
I'm feelin' good, good, good, good, good
Feelin' good!*
