

Dear Parents,

Welcome to another school year at Isbell Elementary! If this is your first experience at Isbell Elementary, we hope that it is a pleasant one.

Below is a link for a Parent Education Survey. The survey is short and should not take you more than 3 minutes. All you need to do is pick the options that you feel are most beneficial to you. The information that you provide will help me to better plan the Parent Education Meetings for the school year. Thank you for taking the time to fill out the survey. If you have any questions, please contact me.

This is the link for the survey:
