

## Canned Food Drive

During the week of November 16-20, the Fellowship of Christian Athletes will sponsor a can food drive. It will take place during period 2B. The can food or nonperishable items will be given to the Frisco's Project for the Future. Two prizes will be awarded. The class that collects the highest percentage of items will win a pizza party. Percentage is based on the ratio of the number of items collected to the number of students in your period 2B class. A second Pizza Party will be given to the class that collects the most items. One class cannot win both prizes. Final count will be at the START of period 2B on Friday, Nov. 20th.
