Safe School Survey Information Letter for Parents

Kerry Antwine
Assistant Principal

Parents,

Jon Boettcher
Assistant Principal

In order to promote a safe school environment for students and staff, Frisco ISD periodically surveys students on issues related to school safety and security. The survey we use is offered through the Education Service Center – Region 10 and focuses on a wide variety of issues related to student behavior, bullying, alcohol and drugs, internet safety, building security and other issues important for our assessment.

Erica Castille
Assistant Principal

Cade Smith
Assistant Principal

This effort is aligned with state and federal initiatives and the Title IV Safe and Drug Free Schools grant. In trying to develop a broad sample of respondents we encourage the participation of students, parents, teachers and administrators across the district. Recognizing many parents may want additional information on the instrument, we have arranged for a copy of it to be available to the public at our campus office.

Counselor

All responses are anonymous and confidential. In addition, students can opt out of some of the questions or not participate in the survey at all. If you have questions regarding administration of this survey please contact Kerry Antwine at 469-633-5503. If you decide that you do not want your child to participate in the Safe School Survey, please provide a note to the school prior to November 16th or instruct your child not to participate at the time it is administered.
