## **Yearbook Ads**

Senior ads are a great way to recognize your favorite senior, groups of friends, or graduating seniors from a school team or group. There are a variety of sizes and prices available so every senior or group can find an ad that suits their personality!

Senior ad reservation forms, pictures, text and payment are due to Mrs. Marsh by October 31. There are a limited number of pages reserved in the yearbook for ads, so they are sold on a space available basis. Send yours in early to guarantee your space.

Additional packets are available in Room E103 and the front office. A PDF of the file also is attached to this message so you can download it at home. If you have any questions about senior ads, please email Toni Marsh, Yearbook Adviser, at [marsht@friscoisd.org](mailto:marsht@friscoisd.org).
